Step 2: Deposit to your account more than R50

The sites presented here hold a valid local licence in South Africa and their software is certified by RNG labs, which means **success rate of winning** and withdrawing the winnings is much higher than on other sites!

If it's your first deposit on the platform important to deposit **more than R50**, so the algorithm won't filter you out!

Step 3: Start Playing According to These Times

Best Times to Play Spina Zonke

BIGGEST PAYOUTS! These times are when biggest pay-outs come (+- 20 min from the time).

Focus on 11:00 / 13:15 / 16:40 / 18:55 / 21:45

IMPORTANT NOTE: Remember these times are only valid on the sites above, as the slot game's volatility is more favourable to a player due to tested RNG outcomes. However, these times don't guarantee a win, they just maximise your success rate. There is no 100% sure scheme to outplay the casino, so don't gamble more than you can afford to lose.
